## ♪ Our next Concert

The Omicron numbers appear to be dropping, so things look hopeful for our concert. We have rehearsed the strings, and hope the winds can catch up. 😊

We Have created a survey for the group to see who would be willing to play. Look for it in your email. We will probably wear masks when not playing. There will be a final decision made by February 9. Hopefully the Omicron will have peaked and we will have a marked decrease in cases.

## ♪ Board meeting

Let us know your concerns and suggestions for rehearsals. Our next board meeting will be on February 16 after rehearsal at 9 PM.

Becky Held has asked for us to find someone new to write our grants. She explained to us the process and Amanda Brown is going to take the lead and learn the process and find a new grant writer.

## ♪ Elections this year

This May at the general meeting we will not only be voting on a new music director, we will be voting on new board members. It is the **president** and the **treasurer** who are up for election, or re-election. Be thinking about who you might like to have on the board. You can either volunteer or nominate someone else or re-elect the people currently on the board. Melanie, our current president has declined to run again. We have an opening for that position.

The board meets on the Third Wednesday of every month right after rehearsal. Our next meeting will be February 16 right after rehearsal. All are welcome to attend. Please let us know if you have an issue to discuss.
